SENIOR COMMUNICATIONS ADVISOR

Strategic project communications | Crisis & issues management | Indigenous & community relations | Intercultural stakeholder engagement

PROFESSIONAL SUMMARY

Senior Communications Advisor with 10+ years of progressive experience shaping strategic project communications in regulated, multi-stakeholder environments across natural resources, manufacturing, and infrastructure sectors. Proven expertise translating complex technical information into clear narratives, managing integrated communications plans with disciplined execution, and providing counsel to senior leaders. Master of Arts graduate (Royal Roads University, 2025) with advanced training in intercultural stakeholder engagement and Canadian communications frameworks. Based in Surrey, BC. Available for hybrid work, 30% travel, and on-call emergency response.

CORE COMPETENCIES

Strategic Communications | Project Communications | Issues & Risk Management | Crisis Communications | Indigenous & Community Relations | Government & External Relations | Stakeholder Engagement | Workback Planning | Integrated Communications Planning | Key Message Development | Media Relations | ESG Communications | Cross-Functional Collaboration | Agency & Vendor Management | Team Leadership & Mentorship | Digital Analytics | Intercultural Communication

PROFESSIONAL EXPERIENCE

SENIOR COMMUNICATIONS ADVISOR / CONSULTANT | Independent Practice | Vancouver, BC & International | 2018 – 2025

Strategic communications consultancy serving regulated industries, government relations, and multi-stakeholder projects. Clients included energy, manufacturing, and infrastructure organizations navigating complex regulatory, political, and community environments.

- **Strategic Counsel & Planning:** Shaped and delivered strategic communications for high-profile projects in regulated industries; developed integrated communications plans, tactics, timelines, and workback plans with disciplined execution.
- **Leadership Advisory:** Provided strategic counsel to senior leaders on clarity, consistency, timing, and execution excellence across internal and external audiences.
- **Cross-Functional Integration:** Collaborated across Indigenous Relations, External Relations, Government Relations, and project teams to deliver integrated communications through a one-team approach.
- **Issues & Risk Management:** Supported proactive issues and risk management by monitoring environments, identifying emerging issues early, and coordinating timely responses.
- **Stakeholder Communications:** Developed key messages, briefing materials, speaking notes, and audience-specific communications for major milestones.
- **Agency & Partner Management:** Managed agency and partner support; tracked progress and reported on communications activities, milestones, risks, and results.
- **ESG & Sustainability Communications:** Advised on sustainability reporting and community investment programs, including stakeholder engagement with rural and Indigenous communities.

SENIOR COMMUNICATIONS ADVISOR | Corporate Mallens LTD | Nigeria | 2012 – 2018

- Provided strategic communications counsel to senior executives navigating complex regulatory, political, and multi-stakeholder environments in natural resources, manufacturing, and infrastructure sectors.
- Translated strategic direction into integrated communications plans and workback schedules for major projects; coordinated approvals and managed dependencies across cross-functional teams.
- Developed clear, concise communications materials tailored for government, community, media, and internal audiences across energy and manufacturing project lifecycles.
- Managed sustainability reporting and community investment programs, including stakeholder engagement with rural and Indigenous communities.

EDITORIAL LEAD & COMMUNICATIONS SPECIALIST | African Newspapers of Nigeria PLC | Lagos | Sept 2015 – Dec 2016

- Led editorial planning and content strategy; produced compelling narratives under intensive deadline pressure.
- Served as media liaison and spokesperson; authored features increasing audience engagement by 30% through data-driven storytelling.
